

COLD OPEN

INT. MYSTERY SHACK

Wendy puts the "closed" sign on top of the cash register.
Behind a shelf of werewolf paws, Dipper stares at her.

DIPPER

Okay, Dipper. This is your moment.
Friday night after work. The time
all great dates begin. Own it.

Stan puckers at his dollar jar of profits.

STAN

Hello, girls. What do you say we
make more of you with the help of
my friend "Off-Track Betting"?

Soos approaches Stan.

SOOS

Mister Pines, I accidentally
purchased an extra ticket to this
concert I'm going to tonight and I
have no one to go with me. Darn.
Would you like to come?

STAN

I would love to, Soos, really. But
I've got to watch a race that might
double the funds to make this place
run!

SOOS

You mean I'm finally getting that
raise?

STAN

I'm not saying no! Yet.

Stan runs out. Dipper walks up to Wendy.

DIPPER

Wendy! What are you doing tonight?

WENDY

Hey, dude! I was going to throw
rocks at the bumpers of police cars
but my rock buddy might not be able
to make it tonight.

DIPPER
So crazy! I've always wanted to
vandalize AND I'm free tonight.

MABEL (O.S.)
DIPPER! DIPPER!

Mabel runs in with her laptop and shoves it in Dipper's face.

MABEL (CONT'D)
It's here.

On the screen reads:

GRAND OPENING OF THE GRAVITY FALLS LOCATION OF ICE FROGURT

DIPPER
(whispering)
Ice Frogurt is coming.

MABEL
It's a Friday night miracle!

Dipper and Mabel HOLLER and dance.

WENDY
What's going on?

DIPPER
Our favorite frozen yogurt place is
coming to Gravity Falls!

MABEL
And the grand opening's tonight!

DIPPER
Tonight?

Dipper stops dancing.

MABEL
Yep! Get dressed.

DIPPER
Me and Wendy were going to throw
rocks at police cars. I can't miss
that --

Mabel is already trying out sweaters. She holds one with "ICE
COOL" written on the front.

MABEL
Is this subtle?

WENDY
Not really for frozen-yogurt.

MABEL
Perfect!

DIPPER
Mabel, I made plans with Wendy --

WENDY
Go frozen yogurting! It seems like
it'd be ten times more fun than
throwing rocks.

DIPPER
But --

Mabel grabs Dipper.

MABEL
To the Mystery Cart!

Mabel takes Dipper away.

DIPPER
Wendy!!

A POLICE SIREN goes off O.S.

WENDY
Music to my ears.

Wendy whistles as she strolls out with her bag of rocks.
